

Jeremy Puffet

AUDIOVISUEL

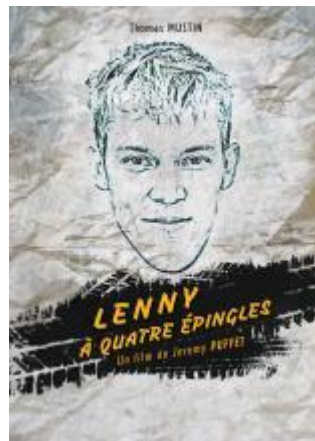

Jeremy was born in Belgium and graduated from IAD (Institute of broadcasting arts) with a master degree in performing arts, broadcasting techniques and communication skills.

His student short films “Fifo” and “Lenny to the nines” were acclaimed at festivals around the world. After two years of travel and various professional experience abroad, he returned to Belgium and worked as location manager assistant and assistant director on shorts, features, commercials and music videos. Recently, he directed a new short film, which is currently being edited. He is now focusing on his next projects.
